

Summer at the Percival Guildhouse!

In the midst of this huge, worldwide pandemic, we are thinking laterally to try and make sure that the Guildhouse experience you love can continue in some shape or form. Life is different at the moment, but here's what you can do with us this summer.

STUDY ONLINE

We'd love to reproduce our whole programme online and, although that's not possible, we do hope to offer some classes via Zoom. Details will be on the website as soon as possible.

TAKE OUR QUIZ!

It's easy to take the simplest things for granted. Being able to come in person to the Percival Guildhouse is one of them! While we wait to re-open, why not have a go at our quiz on the website.

DONATE

This is going to be a very challenging time for our charity but we want to be there for you when it's safe to re-open so we are exploring all options to keep us afloat. If you'd like to help, just head over to the website and click the donations tab.

KEEP UP TO DATE

The Latest News section of the website is where we will keep you informed during this difficult time. It's changing all the time, so do check regularly to keep up to date with what's happening.

STAY SAFE AND WELL

We are looking after you, our staff and our trustees by closing the Guildhouse and working from home where possible. We send you our best wishes and hope you are all staying safe and well too.

LOGIN ONLINE

This is the new, easy way to keep your details up to date, check course enrolment and let us know your contact preferences. Look out for details on how to access your account - coming soon!

TELL YOUR FRIENDS ABOUT US

We know you love the Percival Guildhouse, so make sure you share that positivity with all your friends! Tell them what an amazing place it is so that, when we re-open, we can look forward to welcoming back all our lovely students, and your friends too!
