CORONAVIRUS UPDATE

In accordance with government guidelines, from 19th April 2021 we will be offering classes via Zoom. Classes which need to take place in person will be offered from 17th May. This brochure will clearly state whether classes will be delivered in person or via Zoom.

When we are able to open the building to students, we anticipate that some form of social distancing will still be in place. To accommodate social distancing, we will be restricting the number of students who can be physically present in the Guildhouse, staggering start times and re-arranging classrooms so people are not facing each other. If you come in person to the Guildhouse we will need your co-operation with the new procedures, ensuring you wash your hands, use hand sanitiser and maintain social distancing.

YOU MUST NOT COME TO THE GUILDHOUSE IF YOU HAVE ANY SYMPTOMS OF CORONAVIRUS.

LANGUAGES

WHICH LEVEL TO CHOOSE?

We offer a wide range of language classes from Beginner level right up to Advanced level. Beginner levels are for students with no knowledge or very little knowledge of the language. Advanced levels are for students who are fluent in a language and would like to practise their conversation skills. All our other classes fall somewhere inbetween these two levels!

The class descriptions in the following pages will give you a good idea of what is covered in each class but in order to decide which class will best suit you we suggest contacting us to arrange a quick chat with the tutor who will then advise you. Alternatively, you can join the class you think will suit you best and if, after the first lesson, you and the tutor think a different class would suit you better we will do our best to transfer you to that class instead.

What is the Guildhouse?

The Percival Guildhouse is Rugby's Independent Centre for Adult Education and the Arts. It provides morning, afternoon and evening classes in a wide variety of non-vocational subjects, and a range of special events such as the popular Saturday day schools and art visits. It is a rare example in the Country of a centre with a full programme of non-vocational adult education.

The Guildhouse is a registered charity. A board of volunteer trustees, the Executive Committee have responsibility for its governance. The trustees are elected by the Guildhouse membership at each annual general meeting.

Day-to-day management, including administration and development of the academic programme, is carried out by a small team of employed staff, assisted by members of the Executive Committee. Class tutors are qualified professionals or recognised authorities in their subjects.

Membership of the Guildhouse automatically includes anyone who enrolls on a course, who belongs to a Guildhouse group or member organisation, who is a class tutor, or is a volunteer who helps and supports the Guildhouse in the furtherance of its work. More details of Guildhouse membership are available from the office.
