# LANGUAGES

## WHICH LEVEL TO CHOOSE?

We offer a wide range of language classes from Beginner level right up to Advanced level. Beginner levels are for students with no knowledge or very little knowledge of the language. Advanced levels are for students who are fluent in a language and would like to practise their conversation skills. All our other classes fall somewhere in between these two levels!

The class descriptions in the following pages will give you a good idea of what is covered in each class but in order to decide which class will best suit you we suggest contacting us to arrange a quick chat with the tutor who will then advise you. Alternatively, you can join the class you think will suit you best and if, after the first class, you and the tutor think a different class would suit you better we will do our best to transfer you to that class instead.

## 704 GELLI PLATE PRINTING

Wednesday 1 Meeting 10:00 - 16:00

Tutor: Fiona Setchell £37.50, £10.00

Gelli plate printing is a fun, versatile and captivating process that will unleash your creativity! The plate is a gelatinous surface on which you apply your wet medium and then lift your print; no press is required.

There are limitless ways to work into the surface with stunning and often surprising results. Each print you create is totally unique, a one off. All materials will be provided at a cost of £10 payable to the tutor on the day. In this introductory workshop you will be experimenting with stencils, masking and texture and you will then be adding further monoline printed layers. I will start you off experimenting on a small plate to build your confidence before you then move onto a larger plate. At the end of the day, you will have a staggering array of prints to take home. Each print stands on its own as a print but you can also develop the print further using a range of media. Gelli plate printing is popular with Fine Artists and Mixed-Media artists who use the surfaces created as backgrounds for example portrait drawings or abstract paintings. I will be running a weekly Gelli printmaking course from September so come along for this taster session and discover the possibilities of this inspirational process.

# What is the Guildhouse?

The Percival Guildhouse is Rugby's Independent Centre for Adult Education and the Arts. It provides morning, afternoon and evening classes in a wide variety of non-vocational subjects, and a range of special events such as the popular Saturday day schools and art visits. It is a rare example in the Country of a centre with a full programme of non-vocational adult education.

The Guildhouse is a registered charity. A board of volunteer trustees, the Executive Committee have responsibility for its governance. The trustees are elected by the Guildhouse membership at each annual general meeting.

Day-to-day management, including administration and development of the academic programme, is carried out by a small team of employed staff, assisted by members of the Executive Committee. Class tutors are qualified professionals or recognised authorities in their subjects.

Membership of the Guildhouse automatically includes anyone who enrolls on a course, who belongs to a Guildhouse group or member organisation, who is a class tutor, or is a volunteer who helps and supports the Guildhouse in the furtherance of its work. More details of Guildhouse membership are available from the office.
